- ⓘ During the assembly, or when replacing a bulb, verify the presence of the gasket (o-ring), between the ring nut and the glass.  
Insert the glass until insert it up to the bottom.  
Warning! Thread the glass by applying pressure and not rotating it.  
If the glass or the gasket are damaged, do not connect the power unit and replace them.

Nel montaggio o nella sostituzione della lampadina, verificare sempre la presenza della guarnizione (o-ring), tra ghiera e vetro.  
Inserire il vetro fino ad infilarlo fino in fondo.  
Attenzione! Infilare il vetro applicando una pressione e non ruotandolo.  
Se il vetro o la guarnizione risultano danneggiati, non collegare l'alimentazione e sostituirli.

- ③ Fix the lampshade to the structure using the three screws provided.

Fissare il paralume alla struttura tramite le tre viti fornite.
