Heavy Desk Light

The Heavy Desk Light demonstrates an approach to design where an everyday material is used in an unconventional context. Part of the Heavy collection, each offers a fresh perspective on concrete- usually considered an industrial material- and challenge perceptions of its use within domestic and commercial environments.

Heavy Desk Light was awarded Elle Decoration's 'British Design of the Year' and Blueprint 'Best New Product' in 2009

Design	Benjamin Hubert
Year	2009
Material	Cast concrete and ply
Product Type	Desk/Table Light
