Vessel

Influenced by the original Limited Edition Series, the Vessel pendant and table light compliment the flowing form of another of Samuel Wilkinson's designs: the award-winning Plumen 001 light bulb.

Inspired by the idea of a ship in a bottle, the light bulb sits within a blown glass shade. When illuminated the glass tint mutes the light without hiding the bulb's shape and produces unexpected dramatic reflections that appear holographic.

Design	Samuel Wilkinson
Year	2010
Material	Blown glass
Product Type	Pendant Light
