

# AMISOL

Daniel Rybakken

Type: Suspension

Light source: LED 52W 3000K CRI 90  
dimmable 0-10V

Product use: Indoor

Materials: Aluminum and plastic

Colors: Structure: light grey  
Disc: opaline white, silver, gold

Description: Like a solar sail, an incredibly powerful light source projects a beam of light onto the large, almost weightless disk, either diffusing or reflecting the light. Thin rods connect the two main elements together. By altering the length and the connecting points of the two supporting wires the rotation of the disk can be set in any angle.

Marking:
