

Flar,  
Design by Patrick Norguet

### Model Flar large

The name *Flar* evokes images of a flare or 'flamboisement' in French – an intense blaze or burst of light. Highly impactful in its simplicity, Flar is a floor and table lamp that does not go unnoticed.

Flar large	Light source	Structure: Metal	Diffuser: Blown glass	Code
	E27 T30 Tubular LED	 Champagne	 Honey	19184 6800
	L/W 300mm L/W 11.8"	 Champagne	 Turquoise	19184 8600
