

Neverending Glory

Czech talents Jan Plecháč and Henry Wielgus modelled the Neverending Glory collection after the iconic chandeliers hung in five of the world’s most illustrious stages; Moscow’s Bolshoi Theatre, the Estates Theatre in Prague, the Palais Garnier in Paris, Milan’s La Scala and the Metropolitan Opera House in New York City. The collection transports the grandiosity

of the chandeliers into a contemporary form and scale in order to fit modern spaces. Elegant, clean and refined, the Neverending Glory offers a collection of pendants, floor lamps, table lamps and wall sconces. It provides limitless options to shape a space and redefine it with new purpose and feeling.
