

# GROOVE OBROUND TABLE

Groove, Tom Dixon's highly anticipated outdoor collection is a family of furniture that's been more than 10 years in the making. Crafted from durable aluminium, Groove is corrosion-resistant and built to withstand all weather conditions. The collection, with its distinctive art-deco inspired ridges, is available in two shades – Moss and Putty – designed to offer timeless elegance that fits effortlessly into any outdoor setting.

# FAN TABLE 60CM/24IN

Fan is a modern take on the classical Windsor design. A British archetype converted to a contemporary silhouette, creating an exclamation mark in any space with a semi-transparent structure that takes up minimal visual mass. Crafted in oak or birch wood and formed from a series of machined wooden spindles, Fan tables feature a tapering, conical base and come with a marble table top.

Year of Design	2012
Product Weight	41.40 lb
Certification	BS EN 15372: 2016 Level 2
