

TOOY

BOLINA

509.34 Table

Design: Fabio Fantolino

**Description:** Inspired by the nautical world, Bolina by Fabio Fantolino balances lightness and stability in a timeless design. Its name recalls the sailing course against the wind, a metaphor for harmony. The luminous body in satin amber or white glass with leather straps shapes welcoming volumes, like a lifebuoy embracing the light. Available in two sizes and multiple versions, it casts a uniform, enveloping glow.

**Materials:** metal, glass, leather

**Mounting:** Table: cable length 150 cm. Plug: type C (EU). Dimmer switch: 50 cm from the base on black cable. Glass: Ø 35 cm. Light source: Integrated LED.

**Net Weight:** 4 kg

**insulatin Insulation Class:** II

**Note:** 110/120V version available on request at an additional cost.

CE IP20
