## **KELLY** **X-Large Chandelier**

*in Blackened Steel,  
Satin Brass & Satin Nickel*

A chandelier that moves with glamorous intrigue, the KELLY Chandelier's metallic chain cascades through its various layers to create a glisten reflective effect. A bold synergy of cold metal with warm light, the black or brass frame hosts a matching chain that brightens any interior with midnight color.

With its Art Deco sensibility, the KELLY Chandelier is a transitional light fixture of exemplary proportion. Available in small, large and extra-long. Custom sizes available.

All Gabriel Scott pieces are handmade in Canada.
