

BEL OCCHIO

DESCRIPTION

"Bel Occhio is a study in weightlessness and transparency," notes designer Pablo Pardo on his inspiration for this luminaire. "It evokes nature's transformative light." His piece manifests the celestial through a hybrid design: its suspended, inner column creates focused illumination while its surrounding shell produces a transformative ambient glow. These symbiotic elements enable Bel Occhio to act as a multi-position spotlight and a source of atmospheric tenor. They also serve dynamic purposes: Bel Occhio is built as an infinitely adjustable table lamp and a suspended pendant model. Both elements serve to illuminate with comfort and fascinate the imagination.

FIXTURE TYPE

Pendant
Table

LIGHT SOURCE

US	
Brand: SATCO	
8W LED	
2700K	
E26/BT-15	
800Lm	

LIGHT CONTROL

Fully dimmable (Pendant)
Dali compatibility upon request
in-line slide dimmer (Table)

FEATURES

Compatible with TRIAC/ELV dimmers (Pendant)
360° rotation (Table)
