## ACID MARBLE TABLE LAMP

### CONTENTS

---

1 x  
Disc

1 x  
Base

### ATTENTION! BEFORE YOU START

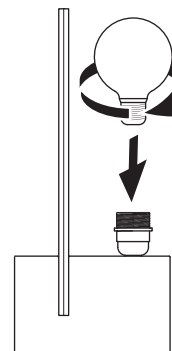

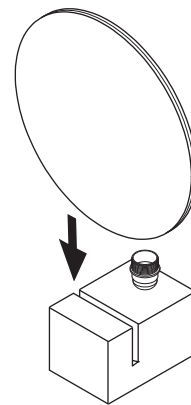

---

- Ensure power supply is disconnected prior to installation.
- This product is for interior use only and should be installed in a dry environment only.
- When switched on, the Acid Marble Table Lamp may become hot.
- Please read the instructions carefully before you commence install and retain them for future reference.

### ASSEMBLY - please see associated diagram

---

1. Place Base on a suitable surface within 2m of a power supply.
2. Carefully place the Disc into the slot on the Base. Please note the Base is designed to hold the Disc without any fittings.
3. Ensure the Base is not plugged in before fitting the bulb (bulb not supplied).
4. Fit bulb into lampholder (42w Eco-Halogen maximum wattage).

### CARE AND CLEANING

---

- Only clean when Acid Marble Table Lamp is switched off.
- Please allow a suitable cooling period before cleaning.
- Only use a non-abrasive, soft, dry cloth when cleaning Acid Marble Table Lamp.
